

About Gold Kidney Health Plan

Creating the gold standard for you care

At Gold Kidney Health Plan, we offer standard Medicare Advantage plans and Chronic Special Needs Plans that are designed to give our members smart healthcare and benefits that they will use

Who is Gold Kidney?

Gold Kidney is a Medicare Advantage organization with standard Medicare Advantage plans and Special Needs Plans specializing in serving individuals with:

- Chronic conditions that lead to kidney failure, such as diabetes, heart failure, and cardiovascular conditions.
- Kidney failure or End Stage Renal Disease (ESRD)

Gold Kidney Health Plan partners with trusted primary care physicians, nephrologists, hospitals, pharmacies, and other providers - to make sure our members get the right care at the right time with the right resources.

Why choose Gold Kidney?

Our patient's well-being is our number one focus and priority.

Our goal is to improve the quality of life and delay the disease progression of our members by helping them:

- Manage their chronic health conditions
- Choose the benefits, care setting, and follow-up options that best support their individual needs and preferences.

We offer high quality, low cost, better access to care and better healthcare.
