# HMO-POS and HMO-POS C-SNP Plan Provider Directory

## Introduction

### Welcome to the Gold Kidney Family!

This directory provides a list of Gold Kidney Health Plan's network providers.

### What is a "PCP" and what does the PCP do for you?

A "PCP" is your Primary Care Provider. When you become a member of our plan, you must choose a provider to be your PCP. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. This includes:

Changes you make will normally occur on the same day we receive the request.

- ✓ Radiology (for example, X-rays or MRIs)
- ✓ Laboratory tests
- ✓ Therapies (for example, physical therapy)
- ✓ Care from doctors who are specialists
- ✓ Outpatient procedures
- ✓ Hospital admissions (except when it's an emergency; see "Medical Emergencies & Urgently Needed Services" below), and
- ✓ Follow-up care after a hospital admission or procedure

"Coordinating" your services includes checking or consulting with other plan providers about your care and how it is going. In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all your past medical records sent to your PCP's office. Please see your *Evidence of Coverage* (EOC) for more information about how we will protect the privacy of your medical records and personal health information.

## What are Network Providers?

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Additionally, with our HMO-POS benefit, you can go outside of the network for care at the same cost share as in-network for covered services. If you choose to go out-of-network using the POS option, the out-of-network provider must be willing to accept the terms and conditions of the plan's payment.

If you obtain care from an out-of-network provider and receive a bill directly from that provider, you should not pay the bill. Submit the bill to us for processing and a determination on any cost shares that you may be required to pay, if any.

## What is the service area for Gold Kidney Health Plan?

The counties in our Florida service area are: **Broward, Clay, Duval, Hernando, Manatee, Palm Beach, Pasco, Pinellas and Sarasota.** This Central Florida Edition is specific to these counties: Hernando, Manatee, Pasco, Pinellas and Sarasota.

# Directorio de proveedores del plan HMO-POS y HMO-POS C-SNP

## Introducción

### ¡Bienvenido a la familia de Gold Kidney!

Este directorio proporciona una lista de los proveedores de la red de Gold Kidney Health Plan.

### ¿Qué es un “PCP” y qué es lo que hace por usted?

Un “PCP” es su proveedor de atención primaria. Cuando se convierte en miembro de nuestro plan, debe elegir un proveedor para que sea su PCP. Su PCP es un proveedor que cumple con los requisitos del estado y está capacitado para proporcionarle atención médica básica. Usted recibirá atención de rutina o básica de su PCP. Su PCP también coordinará el resto de los servicios cubiertos que recibe como miembro de nuestro plan. Esto incluye:

Los cambios que realice normalmente se producirán el mismo día en que recibamos la solicitud.

- ✓ Radiología (por ejemplo, radiografías o resonancias magnéticas)
- ✓ Pruebas de laboratorio
- ✓ Terapias (por ejemplo, fisioterapia)
- ✓ Atención de médicos especialistas
- ✓ Procedimientos ambulatorios
- ✓ Ingresos hospitalarios (excepto cuando se trata de una emergencia; consulte “Emergencias médicas y servicios de urgencia” más adelante)
- ✓ Atención de seguimiento después de un ingreso o procedimiento hospitalario

“Coordinar” sus servicios incluye verificar o consultar con otros proveedores del plan respecto a su atención médica y su progreso. En algunos casos, su PCP necesitará obtener una autorización (aprobación previa) por parte nuestra. Como su PCP le proporcionará y coordinará su atención médica, usted debe enviar todos sus expedientes médicos anteriores al consultorio de su PCP. Consulte su *Evidencia de cobertura* (EOC) para obtener más información sobre cómo protegeremos la privacidad de sus registros médicos e información personal de salud.

## ¿Qué son los proveedores de la red?

Los proveedores de la red incluidos en este directorio han acordado ofrecerle servicios de atención médica. Usted puede visitar a cualquiera de los proveedores de nuestra red incluidos en este directorio. Además, con nuestro beneficio HMO-POS, puede recibir atención fuera de la red por el mismo costo compartido que dentro de la red para los servicios cubiertos. Si elige acudir a un proveedor fuera de la red utilizando la opción POS, este debe estar dispuesto a aceptar los términos y condiciones de pago del plan.

Si obtiene atención de un proveedor fuera de la red y recibe una factura directamente de ese proveedor, no debe pagarla. Envíenos la factura para que la procesemos y determinemos los costos compartidos que usted deba pagar, si es el caso.

## ¿Cuál es el área de servicio de Gold Kidney Health Plan?

Los condados de nuestra área de servicio en Florida son: **Broward, Clay, Duval, Hernando, Manatee, Palm Beach, Pasco, Pinellas y Sarasota**. Esta edición de Florida Central es específica de estos condados: Hernando, Manatee, Pasco, Pinellas y Sarasota.
