Gold Kidney Health Plan

Summary of Benefits

Gold Kidney of Florida Loyalty Care (HMO-POS)

Summary of Benefits

January 1, 2024–December 31, 2024

Gold Kidney of Florida Loyalty Care is an HMO-POS plan with a Medicare contract. Enrollment in Gold Kidney of Florida Loyalty Care plan depends on contract renewal.

The benefit information provided does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us toll at free at 1 (844) 294-6535 (TTY 711) and request the “Evidence of Coverage” or access it online at www.goldkidney.com.

Does this plan cover my doctors and pharmacies?

This is a Medicare Advantage plan that does not include prescription drug coverage. To find out if your doctors are in the plan search our online directory at www.goldkidney.com. Or, give us a call. We can look up your doctors or mail you a provider directory.

Gold Kidney offers you the value that comes with our integrated system of physicians, hospitals, and health plan – all working together to keep you healthy. With our HMO-POS plans, you enjoy more benefits than Original Medicare (Part A and Part B) and many services for \$0 copay. Our HMO-POS benefits also give the flexibility to choose from either in-network or out-of-network providers, who are willing to provide care at the same cost-share.

To join the Gold Kidney of Florida Loyalty Care plan you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Florida: Clay, Duval, Hernando, Manatee, Broward, Palm Beach, Pasco, Pinellas and Sarasota.

Does this plan cover my prescription drugs?

No. This plan does not provide any Part D drug coverage.

For coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 7 days a week, 24 hours a day. TTY users should call 1 (877) 486-2048.

This document is available in other formats such as Braille, large print or audio, as well as Spanish.
