

Keeping you safe, secure, and connected to care.

Gold Kidney Health Plan and Connect America are pleased to offer you the nation's leading mobile Personal Emergency Response System (PERS) designed for your safety, independence, and seamless connection to care.

Connect America's Leading PERS Solution

Our Mobile System helps you stay safe, independent, and connected—wherever life takes you.

Mobile PERS

The Mobile PERS helps deliver confidence by providing around-the-clock access to help at the press of a button.

Key features include:

-  **Two-way voice communication** – allows you to speak directly with a trained response specialist through the built-in speaker and microphone.
-  **Embedded fall detection technology** – automatically detects falls and connects to our Concierge Call Center, even when you cannot press the help button.
-  **Enhanced location assistance** – advanced GPS and Wi-Fi location technology enable us to deliver the help you need, wherever you are located in the U.S.
-  **Water-resistant device** – can be worn safely in the shower, where falls are more common, so you stay connected to help when you need it most.

To get started, call **844-294-6535 (TTY: 711)**

What is a mobile PERS?

A mobile PERS allows you to easily access any type of help 24/7, 365 days a year whether you are at home or on the go.

Who benefits from a mobile PERS?

This service is perfect for seniors who lead an active lifestyle or for those managing chronic conditions who need easy, reliable access to help.

What is the cost?

There is no additional cost as this benefit is included in your health plan.

What's included?

- A lightweight, discreet wearable device.
- Charging cradle and accessories
- User guide

How it works

Summon help

When help is needed, a simple press of the help button connects you to our Concierge Call Center.

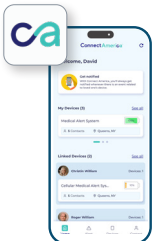

Hear a reassuring voice

A trained response specialist will quickly assess the situation and decide upon the proper action.

Know help is on the way

Based on your preference, the trained response specialist may contact a family member, neighbor, caregiver, or emergency services.

Stay connected with the Connect America app!

The Connect America app enables subscribers and caregivers to conveniently update their account, manage contacts, receive real-time notifications, check battery status, pinpoint location, and more—all from their smartphone or tablet. Download from the App Store or Google Play.

To get started or for more information, call 844-294-6535 (TTY 711)
