Section 1 – Introduction

This directory provides a list of Gold Kidney Health Plan’s network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider** (PCP). Generally, you must get your health care services from your PCP. When you become a member of our plan, you must choose a provider to be your PCP. If you do not select a PCP, we will assign a PCP to you. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. In some cases, your PCP will need to get prior authorization (prior approval) from us. For more information regarding PCP selection and what a PCP will do for you, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Additionally, with our Point-of-Service (POS) benefit, you can see providers outside of the network, but only for certain services, and:

- The service is medically necessary
- There may be higher cost sharing (copay or coinsurance)
- The service must fall within the POS benefit rules

If you choose to go out-of-network using the POS option, the out-of-network provider must be willing to accept the terms and conditions of the plan's payment.

If you obtain care from an out-of-network provider and receive a bill directly from that provider, you should not pay the bill. Submit the bill to us for processing and a determination on any cost shares that you may be required to pay, if any. Mail the information to:

Gold Kidney Health Plan
P.O. Box 285
Portsmouth, NH 03802

If you obtain care from an out-of-state provider, with the exception of emergencies, neither Medicare nor Gold Kidney Health Plan will be responsible for the costs. You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of Gold Kidney Health Plan’s service area or when network providers are unavailable.

What is the service area for Gold Kidney Health Plan?

The counties in our Arizona service area are: Cochise, Coconino, Gila, Graham, Maricopa, Navajo, Pima, and Pinal.

How do you find Gold Kidney Health Plan providers that serve your area?

To choose a PCP from the Provider Directory, turn to the Primary Care Provider section for a listing of primary care providers in your area. You can also call Member Services at the number listed below for assistance.

To choose a specialist, hospital or other provider, please turn to the applicable section in the Provider Directory for a listing of providers in your area. For example, to find hospitals in your area, turn to the Hospitals section of the directory.

If you have questions about Gold Kidney Health Plan or require assistance in selecting a PCP, please call our Member Services Department at **1 (844) 294-6535**. (TTY users can call 711.) Our office hours are 8 a.m. to 8 p.m. local time, 7 days a week from October 1-March 31 (except holidays), and 8 a.m. to 8 p.m. local time, Monday through Friday, April 1-September 30 (except holidays). You can also visit www.goldkidney.com.

This booklet provides a list of Gold Kidney’s **network pharmacies** and includes some basic information about how to fill your prescriptions with Gold Kidney Health Plan. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Gold Kidney Health Plan’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Gold Kidney Health Plan. In most cases, your prescriptions are covered under Gold Kidney Health Plan only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any of our other network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Can the list of network pharmacies change?

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2025. For the most current list, please visit our website (goldkidney.com) or contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi. For more information, please refer to the mail order section of this pharmacy directory, visit our website (goldkidney.com), or contact us.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail-order prescriptions, please contact us at least 21 days before you think the drugs you have on hand will run out to ensure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Birdi at **1 (855) 873-8739 (TTY 711)**.

Long-Term Care Pharmacy

Residents of a long-term care facility may access their prescription drugs covered under Gold Kidney Health Plan through the facility’s long-term care pharmacy or another long-term care pharmacy in our network.

Indian Health Service / Tribal / Urban Indian Health Program

Only American Indians and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Gold Kidney Health Plan’s pharmacy network. Those other than American Indians and Alaska Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Gold Kidney Health Plan.

Deberá elegir a uno de los proveedores de nuestra red que figuran en este directorio para que sea su **Proveedor de Atención Primaria** (Primary Care Provider, PCP). Por lo general, debe obtener sus servicios de atención médica de su PCP. Al afiliarse a nuestro plan, debe elegir un proveedor para que sea su PCP. Si no selecciona un PCP, le asignaremos uno. Su PCP es un proveedor que cumple con los requisitos estatales y está capacitado para brindarle atención médica básica. Recibirá su atención de rutina o básica de su PCP. Su PCP también coordinará el resto de los servicios cubiertos que recibe como miembro de nuestro plan. En algunos casos, su PCP deberá obtener nuestra autorización previa (aprobación previa). Para obtener más información sobre la selección de un PCP y lo que un PCP hará por usted, consulte su Evidencia de Cobertura (Evidence of Coverage, EOC).

Los proveedores de la red que figuran en este directorio han acordado brindarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio. Hay otros proveedores disponibles en nuestra red. Además, con nuestro beneficio de Punto de Servicio (Point of Service, POS), puede consultar con proveedores fuera de la red, pero solo para ciertos servicios, y:

- El servicio es médicamente necesario
- Puede haber un costo compartido más alto (copago o coseguro)
- El servicio debe estar dentro de las reglas de beneficios del POS

Si decide salir de la red utilizando la opción POS, el proveedor fuera de la red debe estar dispuesto a aceptar los términos y condiciones de pago del plan.

Si recibe atención de un proveedor fuera de la red y recibe una factura directamente de ese proveedor, no debe pagarla. Envíenos la factura para que la procesemos y determinemos los costos compartidos que deba pagar, si corresponde. Envíe la información por correo a:

Gold Kidney Health Plan
P.O. Box 285
Portsmouth, NH 03802

Si recibe atención de un proveedor fuera del estado, excepto en casos de emergencia, ni Medicare ni Gold Kidney Health Plan se harán responsables de los costos. Puede obtener servicios de emergencia del proveedor más cercano disponible y servicios de urgencia de cualquier proveedor calificado si se encuentra fuera del área de servicio de Gold Kidney Health Plan o si los proveedores de la red no están disponibles.

¿Cuál es el área de servicio de Gold Kidney Health Plan?

Los condados en nuestra área de servicio de Arizona son: Cochise, Coconino, Gila, Graham, Maricopa, Navajo, Pima y Pinal.

Este folleto proporciona una lista de las farmacias de la red de Gold Kidney e incluye cierta información básica sobre cómo surtir sus medicamentos con Gold Kidney Health Plan. Para obtener una descripción completa de la cobertura de sus medicamentos con receta, incluyendo cómo surtirlos, consulte la Evidencia de Cobertura y el formulario de Gold Kidney Health Plan.

Llamamos a las farmacias de esta lista “farmacias de la red” porque hemos llegado a acuerdos con ellas para proveer medicamentos recetados a los miembros del Plan. Una farmacia de la red es una farmacia donde los beneficiarios obtienen los beneficios de medicamentos recetados que ofrece Gold Kidney Health Plan. En la mayoría de los casos, sus recetas están cubiertas por Gold Kidney Health Plan solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia por correo. Una vez que acuda a una farmacia, no tendrá que seguir acudiendo a la misma farmacia para que le surtan sus recetas, sino que puede cambiarse a cualquiera de las otras farmacias de nuestra red. Le serviremos sus medicamentos recetados en farmacias fuera de la red bajo ciertas circunstancias, según se describe en la Evidencia de Cobertura.

¿La lista de farmacias de la red puede cambiar?

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Las farmacias podrían haber sido agregadas o eliminadas de la lista después de la impresión de este directorio. Esto quiere decir que las farmacias listadas aquí podrían ya no ser parte de nuestra red o podría haber nuevas farmacias en nuestra red que no están listadas. Esta lista está actualizada al 1 de octubre de 2025. Para ver la lista más actualizada, visite nuestro sitio web (goldkidney.com) o comuníquese con nosotros. Nuestra información de contacto aparece en la tapa y la contratapa.

Sus medicamentos con receta pueden ser enviados a su casa a través de nuestro programa de la red de entrega de órdenes por correo, denominado Birdi. Para obtener más información, consulte la sección de órdenes por correo de este directorio de farmacias, visite nuestro sitio web (goldkidney.com) o comuníquese con nosotros.

Si tiene alguna pregunta sobre lo anterior, consulte la tapa y contratapa de este directorio para obtener información sobre cómo comunicarse con nosotros.

Farmacia de venta por correo

Sus medicamentos recetados pueden ser enviados a su casa a través de nuestro programa de la red de entrega de órdenes por correo. Para resurtir sus recetas por correo, contáctenos al menos 21 días antes de que se agoten sus medicamentos disponibles para asegurar que su próximo pedido llegue a tiempo.

Por lo general, debe esperar recibir sus medicamentos recetados dentro de los 14 días desde el momento en que la farmacia de órdenes por correo recibe la orden. Si no recibe los medicamentos con receta dentro de este periodo, comuníquese con Birdi al **1 (855) 873-8739 (TTY 711)**.

Farmacias en centros de cuidados prolongados

Los residentes de un centro de cuidados prolongados pueden acceder a sus medicamentos con recetas cubiertos por Gold Kidney Health Plan mediante la farmacia de cuidados prolongados del centro u otra farmacia de cuidados prolongados de la red.

Servicio de salud para indígenas americanos/Programa de salud para tribus/indígenas urbanos

Solo los indígenas de los Estados Unidos y de Alaska tienen acceso a las farmacias que aceptan los Servicios de salud para indígenas estadounidenses/Programa de salud para tribus/indígenas urbanos (I/T/U) a través de la red de farmacias de Gold Kidney Health Plan. Las personas que no son indígenas de los Estados Unidos y de Alaska pueden acceder a estas farmacias en casos excepcionales (p. ej., en casos de emergencia).
