Benefits, features, and/or devices vary by plan/area. Limitations, exclusions and/or network restrictions may apply. [1]Available only to eligible members who are Chronic Kidney Disease Stage 5 and End-Stage Renal Disease on dialysis or kidney transplant. [2]On Gold Dialysis Premier plans, these benefits are available to eligible members with ESRD who meet the plan's high-value provider and Care Management participation requirements. Coverage limits and provider participation requirements apply. *Special Supplemental Benefits for the Chronically Ill (SSBCI) are available to eligible members with qualifying chronic conditions, including diabetes, chronic heart failure, cardiovascular disorders, and chronic kidney disease (stage 3b or higher), and are offered based upon Gold Kidney Health Plan eligibility criteria. SSBCI benefits are not guaranteed and may change each year. For full details, including eligibility requirements and available services, please contact Gold Kidney Health Plan or review your plan's Evidence of Coverage.
